

Payroll and Scheduling Policy

Document HR-PAY-005 • Category: payroll • Effective 2025-01-01 • Applies to: all Kai Components store staff

1. Pay Frequency

Employees are paid biweekly, every other Friday, by direct deposit. If a scheduled payday falls on a bank holiday, pay is deposited on the preceding business day.

2. Overtime

Non-exempt employees earn overtime at 1.5 times their regular rate for hours worked over 40 in a workweek, which runs Sunday through Saturday. All overtime must be approved in advance by a manager.

3. Scheduling

Work schedules are posted at least 14 days in advance. The minimum shift length is 4 hours. Employees who wish to swap shifts must obtain manager approval and record the change before the affected shift.

4. Meal and Rest Breaks

Employees scheduled for more than 5 hours receive an unpaid 30-minute meal break, and a paid 10-minute rest break for every 4 hours worked. Breaks may not be skipped to leave early.
